

# 【How to get on Kamome bus】

There are two doors in a bus,

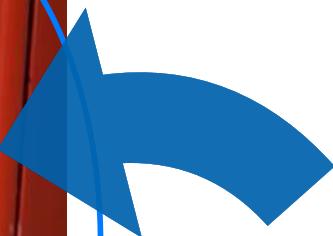

You have to enter second door.

【For IC Card Users】

Tap your card at the entrance.

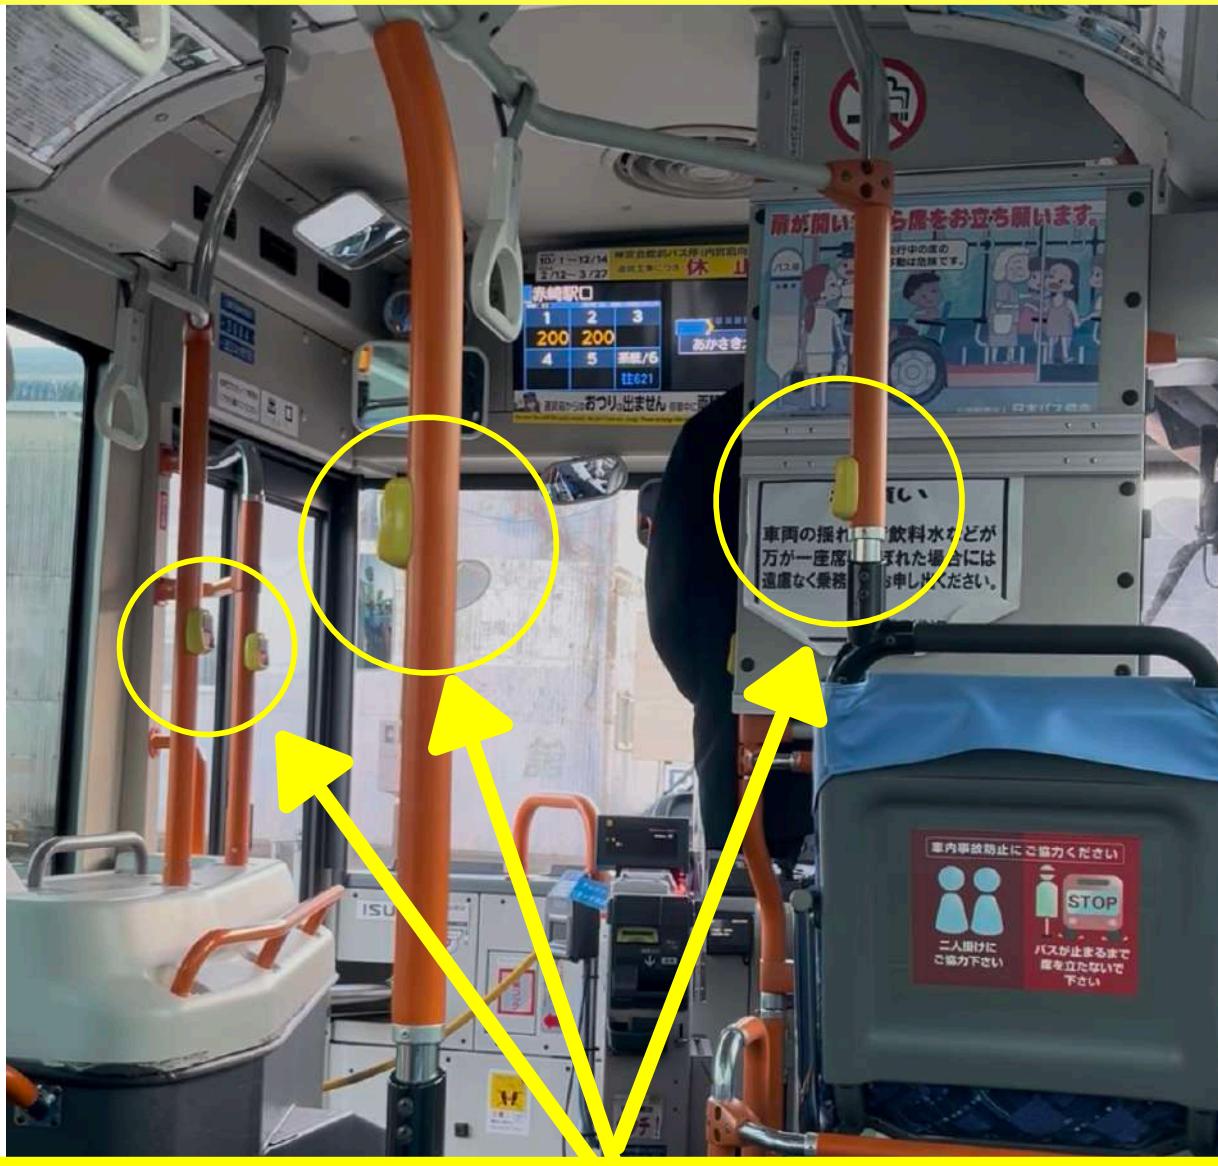

【For Cash Users】

If paying by cash,  
take a numbered ticket  
when you board.

# 【Press the Button

# When Your Stop is Announced】

When your stop is announced,  
press one of the buttons located  
throughout the bus to signal the driver.

# 【For IC Card Users】

Tap your card  
on the fare box  
to exit.

# 【For Cash Users】

～Prepare Your Cash When Your Stop Approaches～

Match the number on your ticket with the screen above the driver. Prepare the fare amount shown under your number.

The fare shown under the number increases at every stop.

## 【For Cash Users】

～Need Change? Use the Machine in Advance～

The change machine is attached to  
the fare box next to the driver.

You can exchange money there.

Insert 1,000 yen bill here

If you only have 5,000  
or 10,000 yen bills,  
please ask the driver.

## 【For Cash Users】

Once your cash is ready, drop both your cash and ticket into the coin box to exit.
